Across our 130-year history, delivering industry-leading financial performance while doing what's right remains a top priority. McCormick envisions 'A World United by Flavour' where healthy, sustainable and delicious go hand in hand, and we operate with a set of principles that reflect that purpose and ambition.

Passion for Flavour

We stand with our customers, innovating new products that make good food taste great

Driven to Innovate

Leading the pursuit of what's next in flavour

Taste you Trust

Transparency in what we do, make and say

Purpose-led Performance

Doing what's right for people, communities, and the planet we share

Power of People

Unwavering commitment to our people-first, high-performance culture

# DEDICATED TO IMPROVING THE WORLD AROUND US

Our approach is built closely with the UN Sustainable Development Goals (SDGs) in mind, and are embedded throughout our organisation. All goals revolve around the key pillars of Planet, People and Communities, with the aim to achieve them by 2025.

We also recognise that sustainability is a journey, and we are committed to continued improvement of our goals beyond 2025, such as achieving NetZero by 2050, of which we are already making progress.

McCormick's first Net Zero Manufacturing Site opened in Peterborough, UK, in 2021.

We're proud of our Purpose-led Performance approach and have been recognised within our industry and beyond.

# The Number One Mexican Hot Sauce in The World<sup>^</sup>

Cholula's balanced blend of heat and tang brings authentic flavour to traditional Mexican cuisine, one of the top cuisines in the UK with mass market appeal<sup>^^</sup>.

However its legacy is set to go far and beyond these borders, working just as well on many world cuisines as it does in traditional tacos, tamales and flautas.

70%  
of UK consumers enjoy eating spicy food\*. Tap into this trend by using Cholula as a marinade for a Vietnamese Shaking Beef.

65%  
of Brits are now adding spicy condiments to their food\*, why not try drizzling over tacos.

## THE FUTURE OF FLAVOUR

At McCormick we love to identify emerging culinary trends. Since 2000, our signature Flavour Forecast has pinpointed top trends and flavours — from those on the verge of widespread appeal, to subtle undercurrents just beginning to materialise.

**GET THE FLAVOURS OF  
THE WORLD WITH:  
SCHWARTZ SRIRACHA  
SEASONING**

A Thai inspired street food seasoning with chillies & garlic. With a sweet and sour heat and a distinctive garlic kick, Schwartz Sriracha seasoning provides flavour that will boost any savoury dish.

*Global Finds*

Uncover global flavours that inspire innovation and 'honor the roots' by starting with traditional regional cuisine elements.

**TRY THIS OUT WITH:  
SCHWARTZ  
TURMERIC (GROUND)**

Aside from its culinary uses, part of this tropical spice's appeal is its main component, curcumin, which gives it many of its unique properties including its bright yellow colour. While pleasantly spicy and full of flavour, use to add a greater depth to dishes or to transform drinks.

*Empowered Eating & Drinking*

There's a great realization that flavour doesn't need to be compromised to meet nutritional needs. Wellness has never tasted (or looked) so good!
